"YEAR OF THE CARDINAL"

1978 proved to be the "Year of the Cardinal" for Michigan Center High School football fans as the high flying Redbirds captured the School's first football championship since the 1960 Team raced to an undefeated season eighteen years ago.

By posting a 6-3 record, Coach Merv Ward's chargers ended with the School's best showing since the 1966 Team finished with a 7-1 mark. It was also only Center's second winning season in the last ten years.

The 1978 Co-Championship marked the twelfth time Center has won or shared a conference or county title since it began football in 1925. What is most remarkable is the way in which this Center team achieved conference title number twelve.

All 30 of the players who turned out for Varsity practice on August 14th completed the season with the team on November 3d. Of those 30 members, six would be named to the All-Conference Team and four others would be given Honorable Mention. One would be named to the All-County Team.

The irony of the season was that the Cardinals finished as Co-Champions with a 6-3 record. They could just as easily been 9-0 or 1-8. Seven of their nine games were decided by seven points or less. Three of those seven decisions were by a single point and a fourth game was decided after time had expired. All seven were in doubt until the final gun as either team could have won.

Such was the 1978 football season. A mixture of cheers and tears and heart-stopping finishes. A year in which the students and the entire community totally supported the Center football program and saw a school rich in football tradition return to the pinnacle of gridiron success - Conference Champions!

Cardinals Cough-Up Season's Opener

SEP. 8TH (STOCKBRIDGE 22 CENTER 8)

The Panthers sailed to a perfect 9-0 season, but not before the Cardinals gave them some fits in this season opener. Center failed to score on a fourth and inches situation early in the first quarter which could have given the Cards the needed momentum to win this one. Actually, the Redbirds remained in contention until late in the game before the Panthers put it out of reach with a long TD bomb to All-Stater Roger Barbour. Hi-lite of the game for Center was Steve Wolvin's 72 yard kickoff return which set up the lone Center score.

Cards Blast Pirates 27-0

SEP. 15TH (CENTER 27 NAPOLEON 0)

Brilliant defensive play gave Center its most comfortable victory of the year against the Pirates. Napoleon could muster only 8 yards net rushing - the sixth best defensive effort on record in Center football history. Steve Wolvin and Rich Dell romped for TD runs of 45 and 35 yards respectively to pace the Cardinal attack.

1978 SENIORS. Front Row (L to R): Bubby Short, Sam Laserra, Dave Burzynski, Rich Dell, Dan Rusiecki, Rich White, Steve Wolvin. Back Row (L to R): Rob Buckhannon, Dave Henman, Kerry France, Scott Burns, Kirk Snyder, Mark Jusick, Phil Brueggeman, Jeff Gates.

Cardinal Class Claims Columbia

SEP. 22D (CENTER 7 COLUMBIA CENTRAL 0)

Cardinal fans left in near disbelief. They had just witnessed perhaps the finest game of football played at Michigan Center - EVER! Not since the Cards stopped Vandercook Lake's 19 game winning streak in 1968 has a victory seemed so sweet. Columbia entered the contest as the State's 6th rated Class B Team and an odds-on-favorite to walk away with the conference title. But Rich Dell's third quarter TD and gutty, hard-nosed defense brought Center the stunning upset. The defense rose to the occasion time after time - the final blow being struck with the Golden Eagles in possession on the Center two yard line with less than two minutes remaining in the game. The right side of the defensive line literally stripped Columbia's runner of the ball to preserve the hard earned victory.

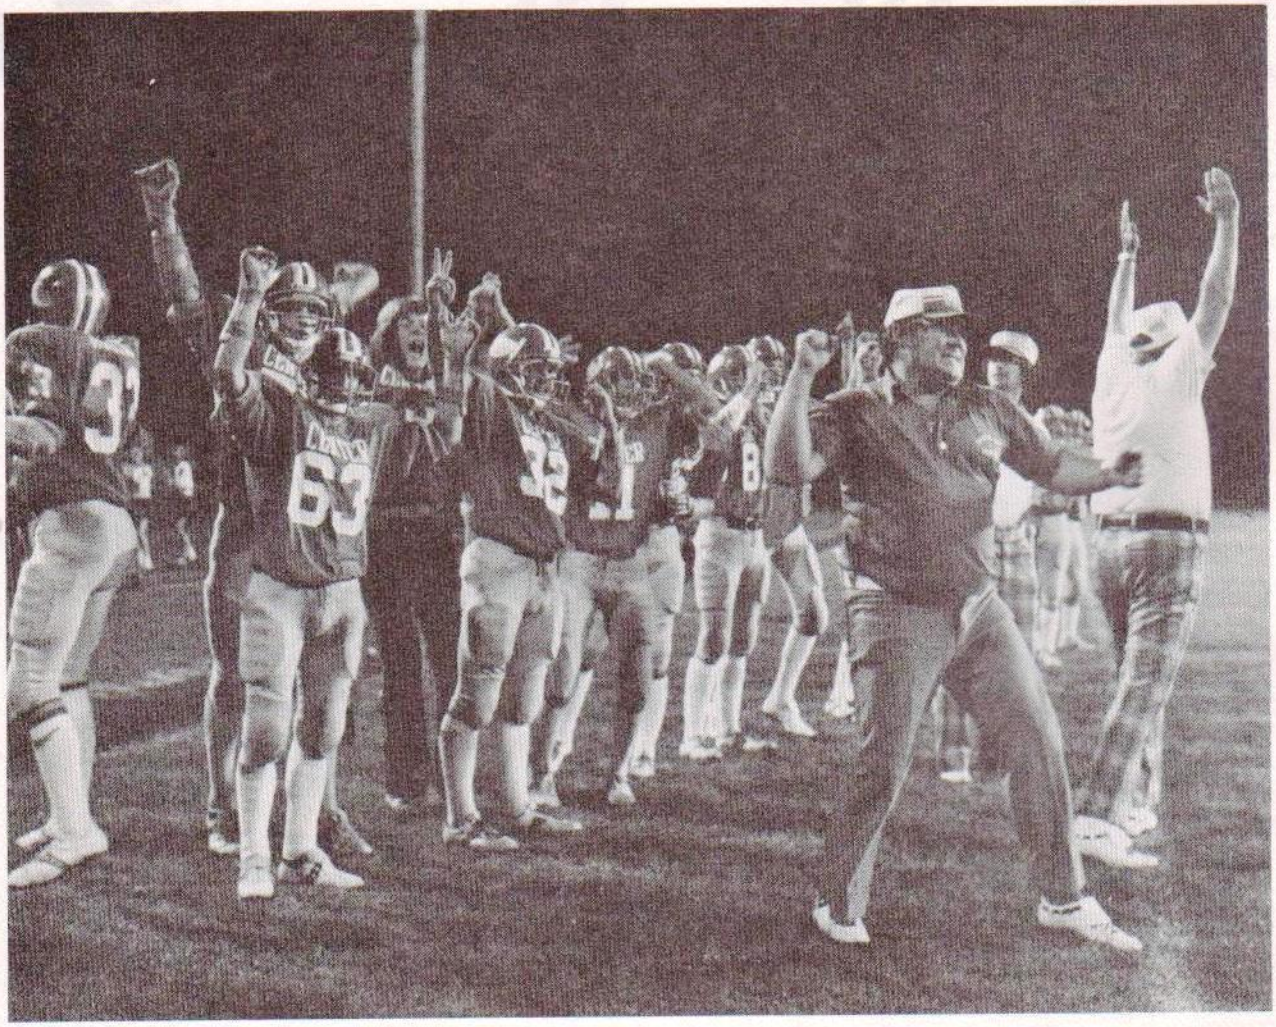

Photo by Jackson Citizen Patriot

THE CARDINAL BENCH ERUPTS AS CENTER STUNS 6TH RATED COLUMBIA CENTRAL 7-0.

Cardinals Cash In On Big Play

SEP. 29TH (CENTER 12 EAST JACKSON 6)

The Cardinals had not defeated arch-rival East Jackson since 1967 and they trailed 6-0 at halftime. But this was the "Year of the Cardinal" and the unusual became the expected. With less than 4 minutes remaining Glen Ruede raced in from his Cardinal position to block an EJ punt and Rob Buckhannon alertly gathered up the loose pigskin and rumbled 20 yards to paydirt which broke the 6-6 tie.

Center nips Western

OCT. 6TH (CENTER 8 WESTERN 7)

A mistake, two new heroes, and lady luck enabled the high flying Redbirds to nail down victory number four - the first time Center had won four in a row since 1968. The mistake was a bad snap from center on an attempted extra point kick(one point) which two heroes, Mark Jusick and Dave Burzynski, turned into a completed pass (two points) which allowed Center to take the 8-7 victory. Lady luck smiled graciously on Center as Western had a TD nullified and missed a last second field goal in the waning moments of the game. But such was the "Year of the Cardinal".

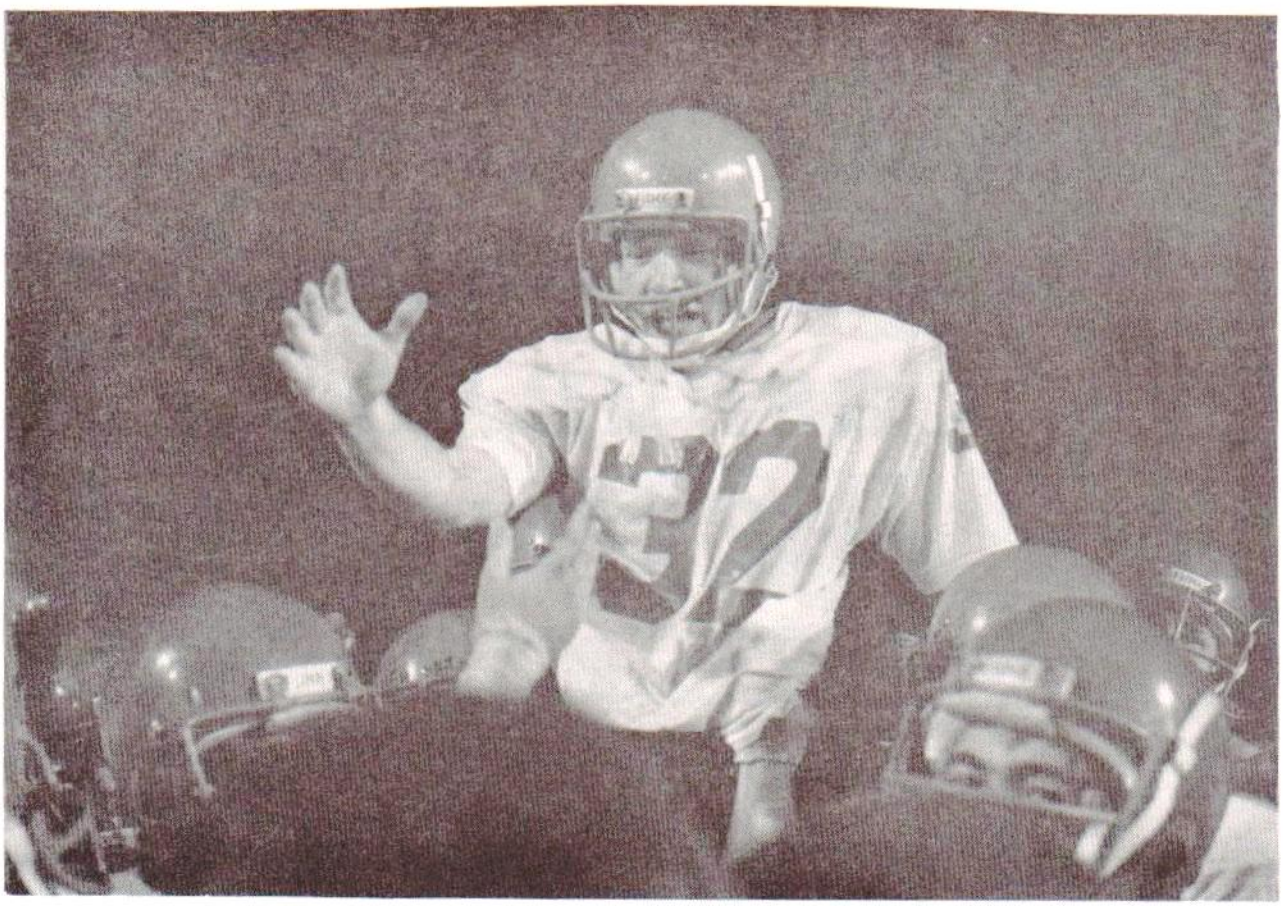

Photo by Jackson Citizen Patriot

Hanover-Horton teammates hoist Doug Warren high after his brilliant 70-yard run with a screen pass on the games' final play spoiled Center's Homecoming 27 - 23 and knocked the Cardinals out of undisputed first place in the conference race.

H-H shocks Center on 70-yard final play

OCT. 13TH (HANOVER-HORTON 27 CENTER 23)

There should have been a sign posted at the entrance: "NO ADMITTANCE WITHOUT A DOCTOR'S APPROVAL". This game was definitely hazardous to those having a heart or blood pressure problem. The outcome of this game was decided after time had expired as somehow the Comets miraculously completed a 70 yard screen pass with 5 seconds to go which did not find the ball carrier in the end zone until some 20 seconds after time had expired on the scoreboard clock. Center had raced to a 17-0 lead only to fall behind 21-17. It appeared as though Center would pull off another unbelievable victory as Mark Jusick climaxed an 80 yard drive by sneaking in from the one with 48 seconds remaining to put the Cards back on top 23-21, much to the delight of the large and enthusiastic Homecoming crowd. But in a bizarre Friday the 13th turn of events the Cardinal hopes of a 5th straight victory were shattered and cheers turned to tears as Comet HB Doug Warren bounded off tackler after tackler on his 70 yard jaunt which left Center coaches, players and fans spellbound as if hoping to awaken from a terrible nightmare.

Vandercook's defense defeats Cardinals

OCT. 20TH (VANDERCOOK LAKE 8 CENTER 7)

Center had not given up a point all year in the first quarter until this evening. The 2 point safety caused by a bad center snap in a punt situation seemed harmless enough at the time midway through the first stanza. It turned out to be the ball game as a ferocious Jayhawk defense kept Center at bay throughout the contest. Rich White gave the Cards a 7-2 halftime lead with a short dash in the second period, but the Jayhawks struck with a long pass late in the game to edge the Redbirds. Randy Straub's 27 yard strike to Tim Hertzfeld appeared to graze the fingertips of Center safety Scott Burns just before Hertzfeld gathered it in for the game winning TD. A matter of seconds against Hanover and a matter of an inch or two against Vandercook Lake. Such was the "Year of the Cardinal". You win or lose every game on seconds, inches or a single critical play.

Cascades race ends in tie

OCT. 27TH (CENTER 15 GRASS LAKE 14)

Two weeks prior Center was in position to win the title outright. After two stunning setbacks they were faced with a life or death situation - beat Grass Lake and be Co-Champions or lose and finish fourth. It was everything a championship game should be - hard-hitting, sparkling plays and close all the way - but that was to be expected by now. It was the Center speed and wishbone against the Warriors brilliant passing attack. One year earlier the same two teams had played almost an identical ball game with the identical results(MC 15 GL 14)but both teams were mired deep in the conference standings. The only thing at stake one year earlier was pride. This year it was a Conference Championship at stake and the teams played with equal intensity and determination. Wolvin put Center on top 7-0 with a 21 yard run. Burke put the Warriors in the lead 8-7 with a 7 yard run and a 2 point screen pass conversion. Dell scrambled in from the 13 and added the 2 pointer as the Cardinals grabbed a 15 - 8 halftime lead. Then it was Columbia, East Jackson, Western, Hanover, and Vandercook Lake all over again. Gary Regal hit Gary Adams with a short pass and with only 20 seconds to go in the game it was 15-14 with Grass Lake needing the two pointer for victory. Rich Dell became the hero of the moment by knocking down Regal's attempted pass for the conversion and suddenly the agony of Hanover and Vandercook were forgotten and Center's first football championship in 18 years was being celebrated in a mixture of tears and cheers.

Photo by Jackson Citizen Patriot

Rob Buckhannon turned in a fine defensive performance to help the Cardinals nip the Grass Lake Warriors 15-14 in the Conference Title showdown at Center.

Head Coach Merv Ward talks over strategy with QB Mark Jusick. Besides running the wishbone offense, Jusick was a defensive standout,winning All-Conference and All-County honors.

Cardinals Slam Reading Rangers

NOV. 3D (CENTER 20 READING 13)

It was like icing on the cake. A non-conference game with little meaning other than the pride of being Jackson County Cascades Conference Co-Champions. But that is what the game is all about - the pride of being Co-Champions! Such was the "Year of the Cardinal".

MICHIGAN CENTER HIGH SCHOOL

FOOTBALL RECORDS BOOK

(1925 - 1978)

Although not yet completed, the purpose of compiling a Michigan Center High School Records Book is to give deserved recognition to the many fine athletes who have participated in our football program. Michigan Center has always been known for its football tradition and competitiveness of its teams.

Football had its beginnings in the fall of 1925 at Michigan Center and the 1927 Team brought the school its first County Championship. Since 1927 Center teams have won or shared 11 more County or Conference Championships -the last being the 1978 Team which finished with a 6 - 3 record.

Detailed records of games were not kept by the coaching staff until 1959. Almost no record of team accomplishments can be acknowledged prior to 1959 other than game scores and season won-lost records. Individual accomplishments prior to 1959 are likewise difficult to compile. Newspaper accounts between the years 1925-1949 are not complete because coaches often did not report complete data. Sometimes only the score was recorded. Other times the length of the score was reported but not accredited to the individual scoring.

Consequently, most of the records are a reflection of the detail in which statistics were recorded by the coaches and reported by the news media. Unfortunately two season record books (1969 and 1975) have been lost over the years which further complicates efforts to compile valid records. Whenever possible most of these records have been reconstructed through the use of coaches' notes, newspaper articles or accounts, and opposing teams records.

There are those who will say when they look at this book, " I know someone who did better than this!" If so, please bring it to the attention of a current member of the coaching staff and every effort will be made to validate the record and give proper recognition.

STANLEY S. FRACKER III
Assistant Varsity Coach
